Branch network optimisation

- Eliminate geographic redundancies
- Adapt to consumer trends and support digital transition
- ✓ In 2023, 14 branches were closed in Portugal. Banco Montepio's network now has 232 branches
- ✓ On a consolidated basis, 124 branches reduction (-34%) since 2019 (o.w. 24 from FNBA)
- √ 12.5% reduction YoY
- ✓ Overall charges of €1.2Mn (accounted in 2020)

Staff adjustment

- Programme 2020/2023 targeted early retirements and voluntary redundancies
- ✓ Banco Montepio's staff decreased by 183 (-6%) YoY
- ✓ On a consolidated basis, reduction of 979 (-25%) employees since 2019 (o.w. 703 from Banco Montepio and 276 from its subsidiaries)
- √ 12.4% reduction YoY
- ✓ Overall charges amount: €60.9Mn, o.w. €28.3Mn in 2020,
 €13.8Mn in 2021, €10.5Mn in 2022 and €8.2Mn in 2023

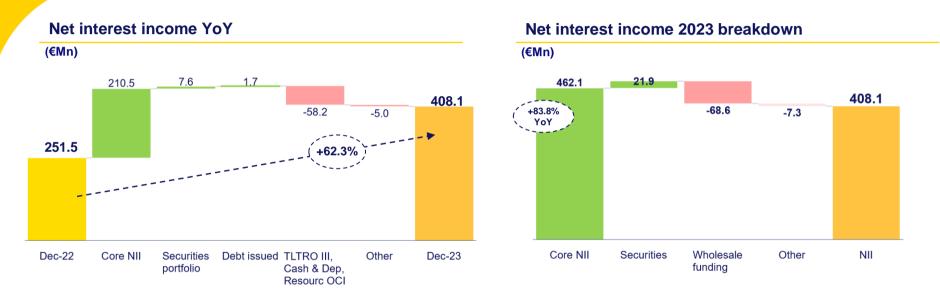

3 Profitability

Strong NII performance rising 62.3% YoY driven by margin growth

[□] NII increased 62.3%, driven by the increase in commercial net interest income (supported on the €287.2Mn increase in interest on loans and advances to Customers, induced by the effect of repricing contracts in the context of rising interest rates), and by the +€7.6Mn in interest on the securities portfolio, which together offset the +€76.7Mn in interest on Customer resources and the +€58.2Mn cost of funding

Commissions and results from financial operations

Net fees and commissions

- Market Credit Payment Services Acct Management Other
- Net commissions totalled €127.0Mn in 2023, an amount €6.5Mn (+5.4%) higher than in 2022, reflecting higher income from account maintenance and management and market commissions, which together offset the unfavourable performance of commissions related to payment services and credit operations.

Results from financial operations

Results from financial operations amounted to -€26.5Mn in 2023, a decrease of €38.5Mn when compared to 2022, due to the lower results from foreign exchange revaluation of €31.1Mn, following the sharp devaluation of the Angolan kwanza.

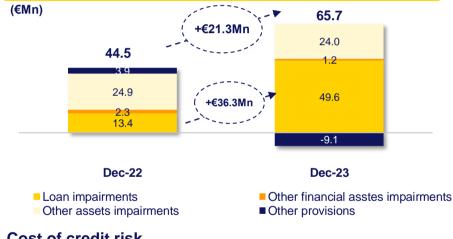

Other results and impairments

Other results (€Mn) 33.3 2.0 11.7 -19.3 -25.9 -5.6 -11.9 +€9.3Mn -10.4 -14.9 Dec-22 Dec-23

- Asset Sales Sector Contributions (IFRIC 21) TLTRO III (reval.) Other
- Other results presented a favourable evolution of €9.3Mn compared to the amount recorded in 2022 (-€14.9Mn), this improvement having been determined by the reduction in the cost of mandatory banking sector contributions by €6.6Mn and by the reduction in the in the cost of remeasuring liabilities associated with TLTRO III by €11.9Mn, despite the lower income from the sale of other assets by €21.6Mn
- Since 2010, the IFRIC 21 sector contributions already amount to €252Mn, which would represent 3.3 p.p.in the capital ratios on 31 December 2023

Impairments and provisions

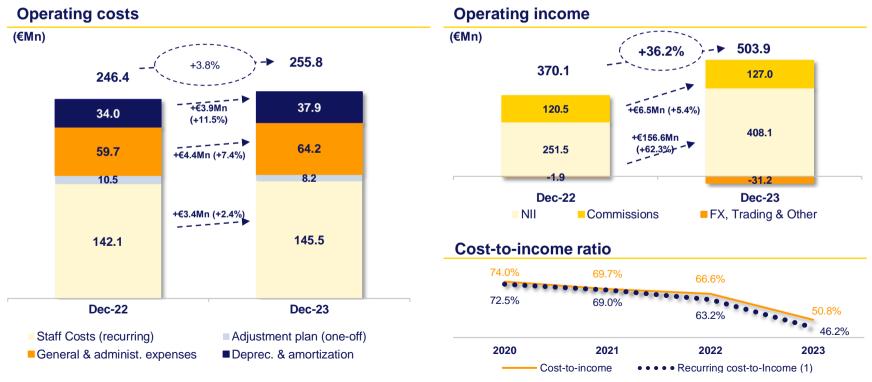

Cost of credit risk

Operating income increasing at a faster pace than operating costs. Material improvement of recurring cost-to-income⁽¹⁾ to 46.2%

Banco Montepio's Mortgage Loans is "Consumer Choice 2024" ("Escolha do Consumidor 2024") for the third time in a row

- ✓ Banco Montepio has been awarded the #1 Consumer Choice Brand in the Mortgage Loan category, for the third consecutive year, recording a final score of 79% and a recommendation score of 81%, leading in the dimensions Attributes, Benefits, Values and Emotions.
- ✓ In the evaluation of the emotional positioning of the brand, Banco Montepio leads in all the attributes and stands out in "Brand Loyalty" ("Lealdade à Marca") and in "Brand Love" ("Amor à Marca").

Banco Montepio's Mortgage Loans have also been awarded two "Right Choice seals" ("selos Escolha Acertada") by DECO Proteste

According to DECO Proteste, Banco Montepio's mortgage offer is the one with the best price/quality ratio, both with and without associated sales. DECO Proteste analysed the offers of 13 banks for a loan of 200,000 euros, over 30 years, variable rate, with a financing guarantee ratio of 80%. Associated sales taken into account: salary domiciliation; insurance; debit and credit cards and payment domiciliation. Study published in May 2023. This award is the sole responsibility of the awarding organisation.

Banco Montepio reduces the minimum spread on variable-rate mortgage loans to 0.8% and adds a mixed-rate solution with return of spread to its offer

- At the beginning of 2023, Banco Montepio launched a new mortgage campaign, reducing the minimum spread to 0.8%. In the second quarter of 2023, Banco Montepio complemented the offer with a Mixed Rate Mortgage Loan, which guarantees a fixed rate for 2 years and the return of the value of the spread of each monthly instalment during this period, for a loan for purchase, transfer, construction or works.
- ✓ In addition to these two initiatives, which reflect Banco Montepio's strong commitment to supporting families, the benefit of returning 1% of the loan amount to the customer on a prepaid card (or 1.1% if the house has an A or A+ energy certificate), which the customer can use to buy whatever they want, wherever they want, has also been maintained.

Banco Montepio's Mortgage Loans have been awarded the "Five Stars 2024 Award" ("Prémio Cinco Estrelas 2024")

- ✓ The Five Stars methodology involved the evaluation of 7 banking brands and the participation of 1,922 consumers between April and September 2023.
- Banco Montepio obtained a satisfaction score of 77.2%, after evaluating the basic variables that influence consumer choices: satisfaction through experimentation, value for money, intention to recommend, trust in the brand and innovation.
- ✓ The Bank also scored 8 or higher on a scale of 1 to 10 on five additional attributes: service, speed of process, inclusion of other products and their cost, clarity of information and monitoring of the process.

Banco Montepio recognised as "Recommended Brand 2024" ("Marca Recomendada 2024")

- ✓ Banco Montepio achieved the best average satisfaction rating in the "Complaint Portal" ("Portal da Queixa") in the category of Banks.
- This award recognises the close relationship between brands and their customers throughout the purchase process, and reflects that Banco Montepio is a trusted brand for consumers.
- The "Recommended Brand 2024" label is the sole responsibility of Portuguese consumers and is the result of their evaluation of brands and organisations over the last year on the Portal da Queixa platform.

Superbrands 2023

- This is the 14th time that Banco Montepio has been awarded the Superbrands seal, an annual award that recognises the most important brands in the Portuguese market.
- This year, Banco Montepio has dedicated the cover of its Superbrands book to Inclusion. A blank cover that gives space to social causes. Banco Montepio is a bank of causes. Often it doesn't appear and isn't seen, but so often it is present. Hand in hand with five institutions, the bank told a story of inclusion in five pictures.

Banco Montepio was awarded the Five Stars ("Cinco Estrelas") title in the Banking - Sustainability category for the second year in a row

- ✓ Banco Montepio has been awarded the "Five Stars 2024" title in the Banking Sustainability category, an award that is the sole responsibility of Five Stars Consulting, which implemented the Five Stars methodology and evaluated 5 banking brands, involving 1,347 consumers, between May and September 2023.
- ✓ Banco Montepio, whose DNA is based on principles that today contribute to a demanding sustainability performance matrix, registered an overall satisfaction of 79.2%, after evaluating the following attributes Experience Satisfaction; Value for Money; Intention to Recommend; Brand Trust and Innovation.

The first Portuguese financial institution to join the "Forward Faster" initiative

- Banco Montepio continues to make its way towards Sustainability, having been the first Portuguese financial institution to join the "Forward Faster" initiative recently launched by the UN Global Compact, which aims to increase responsibility and transparency through the annual public disclosure of commitments and actions to be implemented with a view to achieving the Sustainable Development Goals (SDGs).
- As part of the sustainability governance model, the Chief Sustainability Officer (CSO) position was created, reporting hierarchically to the Chairman of the Executive Committee, as well as to other non-executive corporate bodies, playing an aggregating role as the person primarily responsible for understanding international sustainability trends and benchmarks, anticipating changes and guiding the organisation in order to ensure the development of sustainability strategies and compliance with the regulations and commitments subscribed by Banco Montepio.
- With a focus on transparency and on disclosing Banco Montepio's purpose in the field of ESG and sustainability, a dedicated page has been created on the institutional website to publicise the goals we have set and the successes we have achieved: https://www.bancomontepio.pt/en/institutional/sustainability. In this webpage one can find, for example, the Sustainability Report and the commitments undertaken by subscribing to agreements and joining international organisations and initiatives.

Milestones

Banco Montepio among the TOP 10 brands with the highest perceived sustainability value

- ✓ The Banco Montepio brand is one of the TOP 10 Portuguese brands with the highest perceived sustainability value, according to Brand Finance, the world's leading consultancy in brand valuation.
- According to Brand Finance, this is due to the path the brand has taken in the area of sustainability. "Most importantly, this action has been reinforced by Banco Montepio's communication and brand strategy, which positions sustainability as a priority issue," says Robert Haigh, Director of Strategy and Sustainability at Brand Finance.

Portuguese Association of Business Ethics (Associação Portuguesa de Ética Empresarial) awards Banco Montepio for its Social Responsibility and Sustainability Strategy

- ✓ The Portuguese Association of Business Ethics (APEE) awarded Banco Montepio the "Social Responsibility and Sustainability Strategy" ("Estratégia Responsabilidade Social e Sustentabilidade") prize, which aims to recognise the implementation of good governance policies and models in public and private sector organisations, both profit and non-profit, that create value for their stakeholders and actively contribute to sustainable development.
- Since 2020, Banco Montepio has prioritised reducing its environmental impact, promoting social and financial inclusion and fostering a culture of diversity, equality and participation.
- Banco Montepio continues to finance infrastructure projects that prioritise the use of renewable energy and sustainable buildings, as well as projects that promote sustainability by making a positive contribution to society, and its investment portfolio incorporates environmental and social indicators.

Banco Montepio is a founding member of the "Nova SBE VOICE Leadership Initiative" and highlights the role of the social and solidarity economy in the domestic SME panorama

- Banco Montepio is one of the 20 founding members of "Nova SBE VOICE Initiative" Leadership programme, which aims to increase the competitiveness of Portuguese SMEs, with a direct impact on the creation of value, the strengthening of corporate governance and the quality of life of citizens. Portuguese Membership of this initiative is based on:
- the raison d'être of Banco Montepio, which began as a Portuguese SME and is now a leader in SDG 5, with an unavoidable presence in supporting and serving the social and solidarity economy;
- ✓ in Banco Montepio's intention to bring the contribution of the social and solidarity economy to this project, with organisations and people who have a set of distinctive skills that are very interesting to bring to the SME sphere;
- and, at the same time, in the theme of sustainability as an opportunity to fill market gaps.

In 2023, Banco Montepio maintained its partnership with <Academia de Código_>, financing 95 students who participated in 3 bootcamps held in Lisbon and Porto

- ✓ The partnership with <Academia de Código_> is a project
 that aims to provide a social experience by organising
 bootcamps in computer languages. Banco Montepio, in order
 to help all those who want to programme their lives by
 starting bootcamps, offers the Code Academy Credit Line, a
 specific line to support students (<Code Cadets>) who have
 attended the bootcamps in Lisbon and Porto.
- ✓ As part of the partnership established and the consequent investment in the Code Academy Credit Line, Banco Montepio supported the financing of 95 students in 2023, for a value of over 500 thousand euros.
- ✓ In order to achieve the objectives of this partnership, which is to finance students so that no one is excluded from this reskilling opportunity, more than 250 scholarships have been awarded since 2020, when it began, for a total of 1.4 million euros.

Aldeias de Crianças SOS, ACAPO, APAV, ColorADD, Fenacerci and Banco Montepio join forces for inclusion

- ✓ Banco Montepio has launched a corporate social responsibility initiative in partnership with five organisations that fight for inclusion on a daily basis Aldeias de Crianças SOS, ACAPO, APAV, ColorADD and Fenacerci issuing the reminder: "This is not a Christmas campaign".
- ✓ Hand in hand with five institutions, this campaign told a story of inclusion through the lens of a photojournalist.

This is also the mission of an institution with an economic and social role that wants to contribute to building a sustainable and equitable society, promoting respect for universally recognised human rights, while subscribing to the principles set out in the 17 Sustainable Development Goals (SDGs) of the 2030 Agenda and the United Nations Women's Empowerment Principles (WEPS).
